[Project No. 289—Kentucky]

ORDER ON PETITION FOR REHEARING

LOUISVILLE GAS AND ELECTRIC COMPANY

The following finding and order was adopted:

It appearing to the Commission:

(1) That a petition for rehearing was granted Louisville Gas and Electric Company, Licensee, Project No. 289, by an order of the Commission, adopted December 31, 1934, upon the following items appearing in the Commission's Opinion No. 11, dated October 31, 1933:—

Engineering Fee on Cost of Construction	\$481,533.48
Motion Pictures and Supplies	8,200.02
Airplane Services for Motion Pictures	756.10
Rental Charges for Use of Non-project Lands During Construction	9,576.48
Total	\$500,066.08

(2) That by an order of the Commission, adopted April 7, 1936, it was directed that rehearing be held on the said items on May 27, 1936, but that upon application filed by the Licensee for postponement thereof to a later date, the Commission, on May 19, 1936, adopted an order continuing the hearing without day;

(3) That the said Licensee filed on May 6, 1936, a supplemental petition for rehearing as to certain other items of cost disallowed by the Commission in its said Opinion No. 11, and in respect whereof a petition for rehearing heretofore had been denied by the Commission in its said order adopted December 31, 1934;

(4) That the said Licensee filed on December 1, 1936, an amended Petition for Rehearing as to certain other items of cost disallowed by the Commission in its said Opinion No. 11;

And the Commission having considered the supplemental petition for rehearing filed May 6, 1936, and the Amended Petition for Rehearing filed December 1, 1936, finds and determines:

(1) That said supplemental petition for rehearing filed on May 6, 1936, should be denied insofar as it requests a rehearing as to certain sums stated to have been expended for construction purposes and originally charged to the dam, but included in Item 33, the claim for which was rejected in said Opinion No. 11, no sufficient grounds for rehearing with respect thereto have been shown;

(2) That said supplemental petition for rehearing filed on May 6, 1936, should be denied as to Item 36, Taxes, and Item 40, Interest During Construction, for the reason that said items were the subject of determination by the Commission in said Opinion No. 11, and no new question pertaining to said items or either of them is presented by said petition;

(3) That said amended petition for rehearing filed on December 1, 1936, should be denied for the reason that the items covered by said amended petition were the subject of determination by the Commission in said Opinion No. 11, and no new question pertaining to said items is presented by said petition.

Wherefore, pursuant to such finding and determination, it is ordered:

(a) That a rehearing as to said supplemental petition for rehearing filed May 6, 1936, be denied as to such part of Item 33 as represents sums stated by the licensee to have been expended for construction purposes and originally charged to the dam, and also denied as to Item 36, Taxes, and Item 40, Interest During Construction;

(b) That licensee's amended petition for rehearing filed on December 1, 1936, be and the same hereby is denied;

(c) That a rehearing be held on the items first above enumerated, in the total amount of \$500,066.08, at 10 a. m., on Wednesday, January 8, 1937, in the hearing room of the

Commission, Carpenters Building, 10th and K Sts. NW., Washington, D. C.

PETITION FOR REHEARING

NORTHERN STATES POWER COMPANY

The following finding and order was adopted:

It appearing to the Commission:

(2) That in addition to the items, parts of items, and amounts to which the right to request a rehearing was expressly granted in the Commission's said Opinion No. 21, licensee by said petition and amended petition requested a rehearing on certain items, parts of items, and amounts as to which the right to request a rehearing was not expressly granted;

And the Commission having considered said petition finds and determines:

(1) That said petition for rehearing should be granted for the purpose of permitting licensee to introduce further evidence with respect to all items, parts of items, and amounts set forth therein, namely:
